

## Olds School District To Be Included In School Division?

That's what it sounds like this morning. They say a few legal loopholes have to be ironed out and then the Olds School District will become a part of the Olds School Division, a move that many say should have taken place years ago.

Reprinted below is a note received in this office from the Olds School Division:

"At a recent meeting of the Olds School Division Board, the question of inclusion arrangements with the Olds School District was discussed and the following motions were carried:

1. Moved that an agreement of inclusion shall be made between the Olds School District No. 235 and the Olds School Division No. 31, without an additional requisition.

2. Moved the effective date of this inclusion be set as of 12 p.m., December 31, 1958."

## MOUNTAIN VIEW

(From Our Own Correspondent)

Mrs. Roy Gale and Mrs. Henry Penner and twins, were visitors in Calgary on Friday.

Mr. and Mrs. Doug Gooding, Mr. and Mrs. Charles Snyder and Mrs. Henry Penner, were Saturday evening visitors of Mr. and Mrs. Ira Roberts of Olds.

Mr. and Mrs. Al Enwender and family and Miss Linda Moorhead were Sunday visitors of Mr. and Mrs. Charles Snyder and family.

Mr. W. H. Snyder returned home from the Didsbury hospital last Wednesday afternoon, after being a patient there for three weeks.

Mr. and Mrs. Dale Fox and family of Aene were Friday evening visitors of Mr. and Mrs. John Snyder and family.

Mr. and Mrs. Ed McNeill and boys were Sunday evening visitors with Mr. and Mrs. Lawrence Hunter and family.

Sincere sympathy is extended to Mrs. Charles Kohn on the death of her mother, and also to Mrs. Grenville McCall on the death of her mother.

Mr. and Mrs. Eugene Durrer and family were recent visitors with Mr. Walter Pratt and family.

Mr. and Mrs. Jack Underhay and Joyce visited last Wednesday evening with Mr. and Mrs. David Pratt and family.

A few ladies called on Mrs. Doug Gooding recently to surprise her on the occasion of her birthday.

## MEETING CALLED TO DISCUSS FIRE PROTECTION

A general meeting of all concerned about fire protection in the area around the Town of Didsbury, will be held in the Lions hall on Thursday, June 5th, commencing at 8:45 p.m.

It is hoped that there will be a good turnout from the rural areas as they will be the ones that will benefit should any change be made in the local fire protection set-up.

To Mr. and Mrs. J. Smithies of Carstairs, on May 21, a daughter.

To Mr. and Mrs. C. Good of Carstairs, on May 22, a daughter.

## MOUNTAIN VIEW W.I. APPOINT DELEGATE

The May meeting of Mountain View W.I. was held at the home of Mrs. W. J. McCoy; roll call was answered by 10 members and two visitors, with an exchange of slips or seeds. The handicraft conveyor was instructed to take the following forward to the fall executive meeting:

1. Points to be more evenly divided.

2. Only one large article per branch be allowed in these classes, e.g. rugs and quilts.

Twelve dollars was donated to the United Appeal and a delegate will attend the up-coming meeting. Plans are being made to visit the Lacombe Experimental Farm some time in July.

The next meeting, to be held on June 1, will be held at the home of Mrs. L. Hunter. Roll call is to be answered with a sample of your favorite salad dressing.

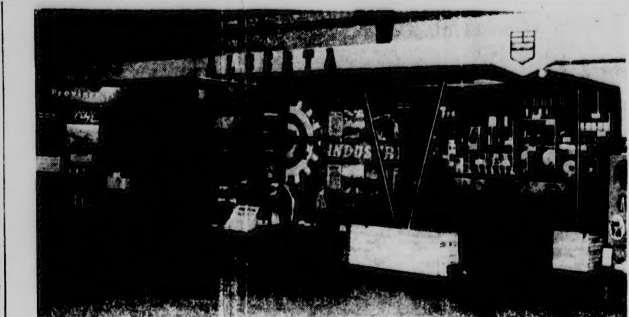

## South West Didsbury

(From Our Own Correspondent)

Sunday dinner guests of Mr. and Mrs. Carl Meyer and family were Mr. and Mrs. Fred Betus and family, Mr. and Mrs. Russ Zubick and daughter.

Sunday dinner guests of Mr. and Mrs. Don Weber and Collette were Miss Ruby Shantz of Edmonton, Mr. and Mrs. Wilbur Reist and Betty, Miss Colina Dedels and Mr. and Mrs. Gordon Weber.

Mr. and Mrs. H. Dageforde were Sunday dinner guests of Mr. and Mrs. H. W. Folkmann and family.

Growing industrial might of Alberta was vividly portrayed to thousands of interested persons at the 10 day British Columbia International Trade Fair which concluded in Vancouver May 10.

Shown above is an over-all view of the Province of Alberta exhibit, some three dozen Alberta-made products on display, right of picture, include such items as breakfast foods and canned milk, cloth-

ing, dinnerware, auto batteries, steel and plastic pipe, chemicals and chemical products. Sample products were distributed among visitors. European and American buyers showed keen interest in the array. A "Cities Of The Day" panel highlighted on successive days the 10 cities of Alberta. Other panels described power, gas and coal industries. Alberta pioneers and other former residents who

## Golf Tourney Draws Large Entry

Alf Allen and his winsome partner, Alma Shannon, carded a fine "40" to win the first flight in the two-ball mixed foursome played at the local golf course on Sunday. Forty-eight players took part in the tourney (that does not include the fella that was working on the "back nine").

Second flight winners were Murray Anderson and Sylvia Shields; coming in on top in the third flight was Pat Nicholl and Marg Bankier. No matter how good they are the Conservatives can even win on a golf course these days). The "hidden hole" competition was won by Bill Blore and Jean Devine.

The ladies were out in large numbers last Thursday — they enjoyed fine weather, some of them enjoyed fine golf.

The competition, low score on uneven holes, was won by: Mrs. Lila Tursle, 1st flight; Mrs. Alma Shannon, 2nd flight; Mrs. Joyce Berscht, 3rd flight.

This Thursday's competition will be "Honey Pot" and the following week, June 5th, "average score."

The Chinook League Golfers' Association was formed last Thursday, include in the deal are Olds, Innisfail, Didsbury and Carstairs.

Four tournaments will be played during the season, with each club hosts for one of them. Each club will provide six players.

First games will be played at Innisfail on Sunday, June 1st.

registered at the exhibit expressed surprise and pride in the variety and quality of Alberta manufacturing.

The exhibit was a joint project of the Industrial Development Branch, Department of Economic Affairs, cities and utility companies. Industrial representatives of cities assisted government officials in manning the exhibit.

(Alta. Government Photo)

## WESTCOTT W.A. HOLDS REGULAR MEETING

The May meeting of Westcott W.A. was held in the church with 20 members and one visitor present. Mrs. G. Ford acted as hostess and devotional was given by Mrs. J. Robertson. Mrs. C. Fischer gave an interesting talk about life in Japan.

Plans for the June turkey supper were tabled until a later date.

## SPRINGSIDE NOTES

(From Our Own Correspondent)

The sympathy of the district is extended to Mr. and Mrs. Milton Campbell on the passing of Mrs. Webster, another old-timer.

Mr. William Norval of Regina and Mr. Don Radford, were Friday evening visitors with Mr. and Mrs. Verne Wrigglesworth.

The next meeting of the Springside Group will be held at the home of Mrs. Peterson on June 5.

Mr. and Mrs. Bob Collinge attended the Stampede at Gleichen last Saturday.

Mr. and Mrs. Verne Wrigglesworth and Wayne spent Sunday at Red Lodge.

## LETTER TO THE EDITOR

Dear Sir:

For some time now I have been reading letters on nail suppression and other subjects. Sometimes I wonder where it is going to end. It seems to me, as an innocent reader, that things have gone just about far enough; after all a person does like a change of scenery once in awhile.

I am one of those citizens who happens to have been born and raised in the Didsbury district and know what it is to be "nailed out," "froge out," "dried out." Also being a housewife and mother, I know what it is to have to make nickles and dimes into dollar bills.

I am sure these "would be" authors are neither ignorant, idiots nor poets as they are trying to make, we the readers believe. Surely they are civilized citizens, or are they?

As for me, just a reader, I do like to read good reading which I am sure our editor is capable of printing if given the opportunity.

Also I like to better my knowledge by doing so and not be reading a lot of nonsense as has been printed lately. We are living in an age of atomic energy, nuclear energy and science. Please let those men and women trained in this field do the work in it and let us (SIGNED)

## "MAMA'S BABY BOT" HERE FOR TWO DAYS

Redeemer Lutheran Walthers League will present their three act play "Mama's Baby Bot" on Thursday, and Friday, June 5th and 6th in the Church basement. The program will begin at 8 p.m.

"Mama's Baby Bot" a three act play written by Charles George is described as riot of laughs. In modern setting, it shows what can, and very often does, happen when a widow and a widower, each with a grown child feel the urge to get married. This urge is further increased by each being in straitened circumstances. And of course, laughs develop as the plot thickens.

The Walthers Leaguers cordially invite you to attend their presentation of "Mama's Baby Bot."

## CREMONA NEWS

(From Our Own Correspondent)

A special award in pediatrics was given Miss Rita Cameron on her graduation day, Sunday, May 11th. Her parents, Mr. and Mrs. A. Cameron, attended the graduation ceremony, as did Mr. and Mrs. G. McElin.

The Cremona C.O.L.T. held a literary in the hall on Friday evening. The girls had prepared a good program and were a bit disappointed in the turnout.

A veteran of two world wars, passed away at his home near Water Valley Saturday afternoon. Mr. V. Dewhurst was well known in this community as one of the early residents. The sympathy of the district is extended to his widow and his two daughters, Mrs. J. Oldfield and Mrs. D. Stairs, as well as his foster son, Freddie.

Neighbors gathered at the farm of Mr. E. Casbeer last Saturday to complete seeding operations for him as he is not yet able to work under the leadership of Mr. L. Knox, V. Burkholder, J. Lane, J. Fry, D. Strr, and R. Lyndike, the seeding and harrowing was finished.

Neighbors gathered at the farm of Mr. E. Casbeer last Saturday to complete seeding operations for him as he is not yet able to work under the leadership of Mr. L. Knox, V. Burkholder, J. Lane, J. Fry, D. Strr, and R. Lyndike, the seeding and harrowing was finished.

Neighbors gathered at the farm of Mr. E. Casbeer last Saturday to complete seeding operations for him as he is not yet able to work under the leadership of Mr. L. Knox, V. Burkholder, J. Lane, J. Fry, D. Strr, and R. Lyndike, the seeding and harrowing was finished.

## Rosebud League Goes Into Action

The Didsbury entry in the Rosebud Baseball League are knocking it off at 5:00; they've won one and lost one at this stage of the game. The local club defeated Olds 17-12 in the league opener and then were downed 8-7 by Airdrie on Sunday.

Following is the schedule for the next few weeks insofar as the local club is concerned:

Sunday, June 1st — Didsbury at Crossfield  
Wednesday, June 4th — Innisfail at Didsbury  
Wednesday, June 11th — Carstairs at Didsbury  
Sunday June 15th — Airdrie at Didsbury

## WESTERDALE NEWS

(From Our Own Correspondent)

Mildred Reist was hostess to the Willing Workers meeting held at the George Jackson home on May 14, when 11 members were present. Roll call was answered with "what part of the outside work is the responsibility of the farm wife."

A man was passed to have judging for the fair the same as last year, with ribbons as prizes; also to not have the handicraft display judged.

Mrs. W. Herbert reported on the opening of the Didsbury Community Centre. The organization agreed to pay our representative's fee of \$1.00. Mrs. F. J. Jackson was chosen as second representative.

Mrs. A. Jones conducted a food recognition contest which was won by Mrs. J. Cosey; consolation went to Mrs. F. J. Jackson. Hostess prize was won by Mrs. F. J. Jackson.

LAC and Mrs. A. R. Phil. Debra and Linda were Friday supper guests at the home of Mr. and Mrs. H. Jackson, and were Sunday supper guests at the home of Mr. George Jackson.

Mr. and Mrs. A. Jones motored to Calgary on Thursday, where Art secured a carpenter job on a hotel in the Forest Lawn district. He left on Friday to commence work.

LAC and Mrs. A. R. Phil. and family, Mrs. L. Jones, Mrs. A. Jackson and Mr. and Mrs. F. J. Jackson were Saturday supper guests at the home of Mr. and Mrs. R. Jackson.

Mr. Will Wisley motored to Kath-ryn a week ago Sunday where he visited with Mr. and Mrs. George Pearce.

ed early in the afternoon. W. Osmond, J. Lane and L. Knox had prepared the land for the seed. Mr. Casbeer would like to return his heartfelt thanks for this assistance.

A farewell dance was held in the Water Valley hall Friday evening for Mr. and Mrs. Salisbury, who are moving to the coast, where the doctors hope the climate will lengthen the life of their wee daughter, who is suffering from an incurable heart disease.

The "Teen Club" enjoyed a weiner roast at the Little Red Deer on Sunday.

The student minister has arrived and is making his home at Mr. and Mrs. G. W. Whitlow's.

The "Teen Club" enjoyed a weiner roast at the Little Red Deer on Sunday.

The student minister has arrived and is making his home at Mr. and Mrs. G. W. Whitlow's.

Mr. and Mrs. Thomas Riley, of Horden, County Durham, England, who won a record \$585,200 prize in a British football pool, arrive in New York with their children and grandchildren. They are en route to Canton, Ohio, home of their son, Harry, right, with bag over shoulder. The Rileys plan to spend a couple of months "doing absolutely nothing."

Kin Korner

The Little Leaguers went into action on Saturday, May 24. The opening games saw the Rockets and Dynamite and the Warriors defeated the Millionaires.

The "Stampede queen contest" is well underway, but its success depends on the support of every member of the community. The Kismen share of the proceeds are to be used on the local playground.

So, let's everyone support Sharon Ann Brown. It's not too late to buy tickets and the more sold the better Sharon's chances will be and the better the playground will be.

Everybody's children will be using the playground, so we should all share the cost.

## Just Another Rumour Runnin' Around . . .

But the grapevine has it that strong consideration is being given to the idea that Didsbury needs a new post office. They say the wheels are turning in Ottawa and it just could be in their program when they decide to build more post offices in our fair and friendly domain. Seems like even the Conservatives are nice people, sometimes. We can only hope this is one of the times.

## It's More Than A Rumour . . .

A service that has been needed here for many months past, for the ones who have troubled teeth, will be alleviated somewhat come June 13th. On that date they tell us a young fella' is moving in from Calgary to take care of the tired molars. Just for a day at a time to start with but we imagine their is enough work in these parts to keep the young lad busy all the time. We hope you haven't ailing teeth, but if you have check the advertisement in another section of this paper.

## They Say It's More Than A Rumour . . .

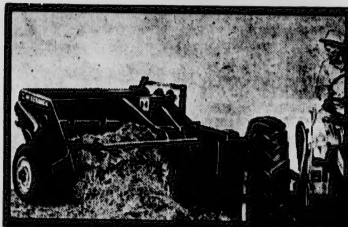

The Government of Alberta will open a main branch office of the treasury branch in Didsbury some time in June. The temporary location, we're told, will be on "our avenue" (the building formerly occupied by Blore's Jewellery).

## Another Famous Quote . . .

Rubbing elbows with a man will reveal things about him you never suspected. The same is true of rubbing fenders.

**MAKE COURTESY  
YOUR CODE OF THE ROAD**

**new BALER that  
OUT-VALUES  
them all!**

**MCCORMICK No. 46**

Your baler dollar never went so far! Here's capacity that cuts cost-per-bale down to size. Up to 13 tons per hour according to farmer reports. She just bales and bales! Come and see why—see positive power flow; extra wide feed opening; short, full floating auger; wide-sweep packer fingers. Almost a miracle! Big hay season staring you in the face? You'll be fortified with a 46! Date us for a demonstration now.

BOARD  
NOTES  
— By —  
W. K. SNYDER  
Agricultural  
Service Board**

**DANDELIONS:** The flowers that give a golden hue to the countryside is now in full bloom. Dandelions are a real weed, they infest lawns, hay meadows, roadsides, pasture fields etc. Few people take any steps to cope with the weed and, as a result many hay and pasture fields are losing much of their value through the encroachment of this unwelcome invader.

Dandelions can be controlled and even eliminated with 2,4-D or MCP. Right now is the time to do it if you intend to spray your fields or lawn to kill the dandelion.

For field spraying where there are no insects present, my advice is to use 4 ounces of acid per acre with at least 4 gallons of water. Be very careful not to spray on a windy day in the vicinity of any leguminous fields or near hedges or flower beds.

I strongly advise that you should use a low volatile type of material so that the vapors will settle down on the weeds instead of vaporizing and drift away with the breeze.

For lawns where you are in close proximity to hedges, shrubs or flower plants you must exercise extreme caution even with low volatile material. There is a new device on the market expressly developed for use on lawns. This is a bar about two feet long made of wax-like substance with 2,4-D impregnated into it. You simply drag this bar over the patches of weeds or dandelions.

This is quite safe to use around flower beds and is also quite effective in killing weeds. It takes a lot of guess work out of the job.

## NEW FERTILIZER DRAWS INTEREST

Considerable interest is being shown in two large green rings which have appeared on the local golf course. All pill addicts are reminded that the rings are not a part of the game and landing a ball in the circle does not constitute a hole in one.

This is a joint effort of Harold Oke and the Veterans' Land Act as a fertilizer display and should be of interest to the district farmers who are facing a shortage of grass after the current spell of warm weather. As of May 22, by actual weight samples taken, there is an increase of 63 per cent in grass production through fertilization.

## SO TRUE . . .

The only thing to remember about the speed of light is that it gets here too soon in the morning.

## Box Car Allocation Under Survey

During the Bracken Commission hearing on box car allocation in Manitoba, interests opposed to farmers having the right to deliver their grain to the elevator of their choice, fostered a propaganda program, including sponsored radio announcements, to mislead farmers and discourage them from pressing for their rights before the commission.

One of the false statements made was that an attempt is being made to tie farmers permanently to one elevator so that they cannot deliver to any other.

The reverse is actually true. The organized farmers, including the Wheat Pools, are fighting for the right of farmers to deliver to any elevator regardless of ownership. They do not have this as long as cars are to be spotted and space created arbitrarily without regard to the farmer's wishes. Space must be made available at the elevators designated by the producer.

The Wheat Pools fully realize that such an arrangement will give opposition elevators equal opportunity to woo the farmer's patronage and increase business. The Pools, however, welcome full competition unimpeded by shipping inequities. Members know that under these circumstances they can obtain the best of service and make the greatest saving through their own elevators.

Few farmers in Manitoba were impressed by the propaganda barrage for they flocked to hearings to urge necessity for allocation according to the farmer's choice, upon the commission.

The commission will be holding hearings in Alberta in June and whatever elevators farmers want to use in this province, they should appear before the commission and insist that boxcars be allocated so that they can exercise their choice.

## Guest Editorial

### THE NEW PARLIAMENT

To those trained observers whose business it is to follow parliamentary proceedings, the new House of Commons is going to take some getting used to. The 24th Parliament of Canada which opened recently is like no other we have known this many a long year.

Gone, swept away in the electoral avalanche and those veterans who survived the upset of June 1967, men who have been part and parcel of the Ottawa landscape for close on to a quarter of a century. In their place, intent on winning their political spurs, are scores of youthful freshmen. To them is entrusted guardianship of our most hallowed temporal institution.

In many respects, the government has been given a medical mandate, one which leaves it free to apply solutions to the many problems which beset a growing country on a pragmatic basis. The general direction of some of its policies has already been revealed; that of many more remains to be indicated.

"It may be well to have the strength of a giant but it should not be used as a giant," wrote Robert Baldwin more than a century ago, and this is perhaps the best comment to be made on the new government. The nature of our political system being what it is, no government, however powerful, is a law unto itself. It must answer for its actions and its policies to Parliament, made up as any parliament worthy of the name must be of those who oppose the administration as well as those who support it.

As for the opposition members, they must allow themselves to be neither dismayed nor demoralized by their lack of numbers. The important thing for both them and the government to remember is that they represent 46 out of every 100 electors who voted on March 31 for other than government candidates.

— Pincher Creek Echo

Give  
Generously  
ON THE 10TH

By HELEN HOWARD  
District Home Economist

HELLO HOMEMAKERS  
Salads are again in the limelight.  
Here is a particularly versatile one  
because you may use lobster, tuna,  
cold ham, veal or chicken in place  
of the salmon:

APPLE SALMON SALAD  
2 tart apples  
2 cups flaked salmon  
1 cup diced celery  
1/2 cup salad dressing  
Or  
4 tbsps. lemon juice  
2 tbsps. sugar  
1 tsp. salt  
Method: Mix ingredients lightly  
and pile in crisp lettuce cups. Yield:  
4-5 servings.

JUNE SHOWERS - Now's the time  
for showers of the indoor variety -  
or Bridal Shower - Try some cool -  
or Bridle Shower - Try some cool -  
TANGIERINE ICE CREAM PUNCH  
6 no. 2 cans tangerine  
Juice chilled  
2 quarts gingerale chilled  
3 pints pre-packaged vanilla  
ice cream  
Pour chilled tangerine juice, and  
gingerale into large punch bowl;  
mix well. Add heaping tablespoons  
of ice cream. Stir thoroughly. Yield:  
30 1/2-cup servings.

Light refreshments are the order  
of the day so some picnic size jelly  
roll slices will be just right. -

TEA TWINKLES  
(Temp 400 degrees F. Time 10 min.)  
1/2 cup cake flour, sifted  
1/2 tsp. double acting baking  
powder  
1/2 tsp. salt  
2 eggs (at room temperature)  
1/2 cup sugar  
1/2 tsp. vanilla  
2-1 cup lemon butter

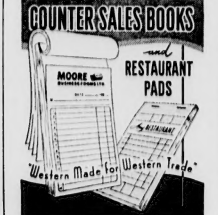

Method: Sift flour once and  
measure. Combine baking powder,  
salt and egg in bowl. Beat with  
electric beater, add sugar gradually  
until mixture becomes thick and  
light-colored. Gradually fold in  
flour, then the vanilla. Turn into a  
15" x 10" pan which has been  
lined with paper, then greased.  
Bake in preheated oven 10 minutes.  
Turn cake out on cloth or towel,  
dusted with powdered sugar. Quick-  
ly remove paper and cut off crisp  
edges of cake. Cut lengthwise, then  
crosswise twice to make 6 pieces  
of equal size. Spread each with le-  
mon butter, and fold into individual  
jelly rolls. Cool on cake rack.  
To serve cut into 1/2 inch slices.

"Gadgets Galore" is probably  
what every June Bride will be re-  
ceiving. If you are planning a  
shower for some happy bride here  
are some hints for buying small  
kitchen equipment. Be sure the  
article is doesn't end up on the wed-  
dow's shelf. Some gadgets are time  
and labor savers while others can  
be just "clutter".

Measuring Cups and Spoons with  
long handles are more convenient  
to use. They should be clearly  
marked. Aluminum (or pyrex) is  
a better choice for a material than  
plastic.  
Flour Sifters - A fine screen sifts  
most thoroughly. The type that  
can be worked with one hand are  
more efficient because you have  
one free hand. Some types now  
have a funnel that sifts right into  
a cup.

Cake Openers - The Bride and  
her can opener are always the tar-  
get for a lot of comment. But a  
good wall type opener would be a  
most appreciated gift. A good can  
opener should leave a smooth edge  
and open any shape of a can.  
Cake Pans should have rounded  
smooth corners and no joins or  
seams. Shiny tin and aluminum  
pans produce a tender light brown  
crust. Pyrex and darkened tin pans  
give darker thicker crusts and so  
the oven temperature should be  
lowered 25 degrees when using them.

Next week, friends, some more  
hints for shower or wedding gifts  
for the June Bride

## Notes From D.A.

By Howard J. Felscher

Erosion by water is quite notice-  
able at this time of the year. Shall  
low washouts, deposits of silt in  
low areas, and positive indications  
of the level development of gul-  
leys across fields. These gulleys  
may be very small and can be cross-  
ed with farm machinery, in some  
case the wash-outs are too large  
for this.

In the case of large gulleys it is  
imperative they be filled and seed-  
ed to prevent further damage and  
allow uninterrupted cultivation of  
the fields. The procedure will vary  
with the size, type and contour of  
the wash-out, generally most can  
be filled with agricultural machi-  
nery. In these cases work the  
land into the ditch from either side  
until the ditch area is a little high-  
er than the area along its sides,  
this allows for packing and set-  
tling, preventing the forming of a  
narrow ditch in the original wash-  
out. If the channel is over eight-  
een inches deep any material (logs,  
rocks, stones) put in before filling  
will help bind the land and lessen  
danger of a new washout. In con-  
struction of the water course de-  
velop it wide and flat bottomed  
rather than "v" shaped. When  
this is completed pack the land un-  
til it is quite firm and seed down.

Due to the growth of grass being  
slow, the land has little protection  
the first year, a seeding of barley  
at the same time will help. After  
seeding if the shape of the ditch is  
great cross logs or any other de-  
vices on surface will slow and  
spread the water movement and  
help prevent re-occurrence of the  
erosion, these can be removed when  
the grass is fully established.

If the wash-out is small seeding  
it to grass with this year's crop  
is a good plan. It can then be left  
as a grassed water course.  
If the ditch is very large and  
heavy equipment is needed it is  
advisable to get the land levels  
and proper dimensions before large  
expenditures are made.

Improvements  
Made At Park

The sixty acre Westward Ho  
Municipal Park has been improv-  
ed with the addition of a kitchen,  
tables and toilets, says Fred Mid-  
dle, M.L.A. and Municipal Counci-  
llor.

Further improvements, says Mr.  
Middle will include the building of  
two dressing rooms by the munici-  
pality.  
Kitchen and toilet facilities were  
provided by the provincial govern-  
ment during the past year under  
the way-side table scheme for tour-  
ists being put into effect in the  
province. A drilled well is also  
being provided by the provincial  
government.

Access roads have been gravelled  
and the original 47 acres added to  
by the acquisition of certain lands  
south of the old Sundre highway.  
Mrs. Buchanan has been appoint-  
ed park caretaker by the M. D. of  
Mountain View and has been given  
the authority to report any per-  
sons damaging park facilities to the  
municipal councillors who will then  
start the necessary action. How-  
ever, says Mr. Middle, "the park  
is for use of everyone and we want  
all to feel free to use the facilities  
provided, but for the sake of clean-  
liness use the barrels provided  
for garbage and please do not  
throw bottles, especially broken  
ones into the water."

The dressing rooms mentioned  
will be built with the Jubilee Grant  
Money from the municipal divisions  
represented by Mr. Middle and  
Earl Dodd. The park area is readi-  
ly accessible from a road just west  
of the bridge over the Little Red  
Deer River.

## DISTRICT NEWS

## M.V.B.C. NEWS

(From Our Own Correspondent)

Miss Grace Eby is at home again after surgery in the hospital. She will be back in high school before you read this note.

Vickie Veenstra is staying at the home of Mr. and Mrs. Arthur Eby until the end of the school term. Her folks have moved to the Raven district.

Mr. Richard Carpenter and his mother arrived on the campus Saturday evening. It was good to see him again. Army life has added some weight and tan but otherwise he is the same cheerful person we learned to know while he was on the faculty. On Saturday evening, his mother, Mrs. Taylor and Miss Eby were supper guests in the home of Mr. and Mrs. Kenneth Sherick. During the evening Mr. and Mrs. Alex Robertson and Mrs. Don Robertson were visitors.

Mr. and Mrs. Arthur Eby were among those who went to Calgary last Thursday to see Mrs. Olga Neilson and her grand-daughter, Evelyn, leave for Denmark. It is expected they will be gone about three months and during that time will also visit Germany. Miss Evelyn Neilson concluded her Normal work in Calgary this spring and will go into the teaching profession next fall. This will give her real help in her teaching as she tours parts of Europe this summer.

Miss Gladys Eby was guest speaker in the morning worship service in the Mountain View United Missionary Church on Sunday. Rev. and Mrs. D. C. Eby were able to be present at the service. Mr. Neil Neufeld was in charge of the services in Mr. Eby's absence.

On Sunday Mrs. Taylor entertained Mrs. Carpenter and her son Richard, Dr. Thompson of Red Deer and Miss Gladys Eby, for dinner. The Taylors and Carpenters had breakfast in Miss Eby's home last Sunday, and during the next few days friends will be in and out of these homes to visit. The Carpenters will leave again on Wednesday morning to return to Port Huron, before Mr. Carpenter returns to his training base in Missouri.

The school garden is being planted this week. This isn't a very large garden and we will depend again on friends to help us get the vegetables we will need when the fall term begins. We expect a larger student body in the fall and that means more provisions. Those who helped us so faithfully this past year may be assured that our appreciation for it holds no bounds.

## LIGHT YOUR WAY . . .

## ... WITH BIBLE STUDY

A handler of horses said one day: "I tell you, Pastor, when I have to handle all these ornery cayuses, I simply must curse; otherwise I'll burst."

The age of the horse has nearly passed. We live in the age of automation. And now, the automobile curses his car; the mechanic his wrench; the farmer his tractor; and so down the line.

To curse is to wish evil upon yourself, others, or upon some thing. Cursing betrays a poverty of language. It indicates that a person wants to express his feeling, but he doesn't know how. So, he curses. Cursing is undesirable publicity for the Christian religion. How can a Christian so misuse the name of God? When Peter wished to convince others that he was not one of Christ's disciples, he cursed. When you curse, you are also telling people that you are not a Christian.

Replying to the handler of horses mentioned above, the Pastor said: "When you are so mad that you

## WEST NOTES

(From Our Own Correspondent)

The Russell family have their sister Mildred, her husband, son and mother-in-law, from Ontario, visiting with them. On Sunday they all went for a picnic and were joined by Mr. and Leonard Russell and family of Calgary and Mr. and Mrs. J. Toole and boys of Lacombe.

Mr. and Mrs. E. W. Lowrie visited with Mr. and Mrs. A. L. Hoeg on Thursday.

Picnics and fishing was the order of the day on Sunday, but the main topic of conversation was "when will it rain." But still the countryside is very beautiful, with the sakatoes all in bloom.

Mr. and Mrs. E. Scott and family were Sunday visitors with Mr. and Mrs. Alfred Cowitz.

Mr. and Mrs. Scott of Bergen spent Monday evening of last week with Mr. and Mrs. Frank Herbert. Mr. and Mrs. Walter Cook visited with Mr. and Mrs. P. Luft on Sunday.

## FALLEN TIMBER

(From Our Own Correspondent)

Recent visitors at the home of Mrs. Emma Wright and Leonard were Mr. and Mrs. Jack Moulding and family, Mrs. Evelyn McRae of Calgary, Mr. and Mrs. Johnny Howton and family, Monty Moore and Mr. and Mrs. Joe Teynor and family.

A number from the district took in the Bearberry Stampede, which showed excellent bucking horses. The children from Fallen Timber school went out to Elkton Friday afternoon to play ball against the Elkton children. A good time was had by all, with Fallen Timber the winners.

Congratulations to Mr. and Mrs. Stan Morrison, who are the proud parents of a boy, Marvin Owen.

Mr. and Mrs. Joe McGaffin and family and June Moneey, spent the long weekend at Breton visiting with Mr. and Mrs. C. Rosted.

Mr. Clarence Mack, of radio station CFAC in Calgary, kindly came out to the school Saturday evening, May 17, and showed slides of his trip to Hawaii. The pictures were beautiful and the comments by Mr. Mack most interesting. The evening netted the Junior Red Cross \$23.25, which was considered very good. Unfortunately many from the district didn't deem it necessary to attend these pictures and so missed a very enjoyable evening, as well as contributing to a worthy cause.

The school was visited by the inspector, Mr. Hooper, last week.

Jeanne Howton spent a night recently with Judy Moore at Sundre.

Gary and Monty Moore of Calgary spent the long weekend with Danny Howton and took in the Bearberry Stampede.

Mr. Raymond McMullen and Lee were recent visitors in the Cappon district.

Master Robert McMullen spent several days visiting at the home of his uncle and aunt, Mr. and Mrs. Charles Roberts.

We are sorry to hear that Roger Hayes had his leg burned in a freak accident, necessitating a two-day stay in hospital.

Robert, Lee and Laurel McMullen spent last Tuesday with Mrs. John Howton.

Patsy Morrison spent the long weekend at her parental home.

A number of ministers from the Nazarene, United Missionary, Pentecostal, Holiness, Moravian and Four-square churches, gathered in Cremona recently for a meeting. Rev. Ruby Moore of Calgary was guest speaker.

Rev. and Mrs. Archie McMullen were recent visitors in the district.

Let us remember, God says: "Thou shalt not take the name of the Lord thy God, in vain." Let us honor His name. It is said that Isaac Newton never pronounced the name of God without lifting his hat. Robert Boyle never pronounced the name of God without an audible pause. May you and I use the name of God in prayer and praise — but not in vain.

Still the  
Biggest Value  
in  
Power Mowers

THE  
JOHN DEERE No. 5  
the Mower that Works  
with Any Tractor

By every measure of value the John Deere No. 5 Power Mower is still your best mower buy. You just can't beat a John Deere No. 5 for fast, clean cutting . . . for continuous new mower performance . . . for protected operation . . . for ease of hitching to any tractor.

For many years the No. 5 has out-sold every other power mower. The outstanding preference for the No. 5 year-after-year is proof that it is still the biggest value in power mowers.

Come in and let us show you how the John Deere No. 5 can save you time, save you money and save you a lot of down time in the years to come.

**Little Items of Local Interest**

Word was received this week of  
the death of Mrs. Ralph (Pearl)  
Honey, an old-time resident of this  
district, who passed away in hospi-  
tal at New Westminster, B.C., on  
Monday of this week.

Mrs. H. Ringheim, who was a re-  
cent patient in Didsbury hospital,  
is visiting in Edmonton with her  
son-in-law and daughter, Mr. and  
Mrs. W. Asmundson. On Sunday  
Mrs. Ringheim had the pleasure of  
shaking hands with the Hon. and  
Mrs. J. Diefenbaker upon their ar-  
rival at the Edmonton airport to  
open the Canadian Legion conven-  
tion.

Mr. and Mrs. Frank Kaufman  
visited with Mr. and Mrs. Ralph  
Hoover of Lacombe on Sunday.

Miss Diana Beaveridge, Miss Val-  
eria Wakin and Mr. and Mrs. H.  
Burt of Edmonton, were weekend  
guests of Mr. and Mrs. Ed Wakin.

Mr. R. West of Uranium City,  
Sask. is visiting with Mr. and Mrs.  
Bill McCoy.

Mr. and Mrs. J. Bellamy (nee  
Carol Ray), have returned from  
their honeymoon to the U.S. and  
have taken up residence in Calgary.

Mr. Joe Moser and Mr. Don  
Newton of Calgary, formerly of the  
Royal Bank staff here, were seen  
golfing on the local course Satur-  
day.

Mrs. M. Taskey of Edmonton is  
visiting her mother, Mrs. S. Devine  
while her father is in hospital here.

Several Anglican families motored  
to Olds Tuesday evening to  
attend the induction service of Rev.  
C. F. Wilkins.

**Y.J.C. HEAR FROM  
LACOMBE SPEAKERS**

Tuesday of last week the Y.J.C.  
of Didsbury held its regular meet-  
ing in the United Missionary  
Church. After several congrega-  
tional songs, Rev. T. K. Palmer  
gave a very inspirational devotion  
from Acts 9:17-23.

Of the two winning elocutionists  
from Union College, Lacombe, Mr.  
Ed Skortetz was the first to speak.  
His subject was "Tobacco." He  
said "the nicotine in tobacco kills  
by degrees. If tombstones and  
death certificates gave the truth,  
many would say: 'weakened by  
tobacco'."

Mr. Syd Myers, from Jamaica,  
a third year student at Union Col-  
lege, spoke on temperance. He  
said: "Alcohol is liquid fire; the  
Devil's best friend. When a forest  
fire starts we try to quench it.  
Liquor is anti-God. Alcohol is not  
a disease, it is a poison. After a  
drink you die a little."

The vocal numbers of the eve-  
ning were a solo by Miss Elsie  
Emmel and a trio by Dorothy Pen-  
ner, Carol Roy and Lillian Stauff-  
er. Mr. Leo Andrews of Lacombe  
played two beautiful numbers on  
the horn.

Mrs. A. Eby, provincial superin-  
tendent of Y.J.C. explained the  
work of the organization.

**ROAD PAVING CREW  
IN ACTION . . . BUT NOW:**

At press time we hear that crews  
are working on the highway which  
joins No. 2A with the Town of  
Didsbury.

Right now they are working  
from the east, spreading gravel,  
watering and packing.

It is hoped the black top we've  
all been waiting for will not be far  
behind the staving and packing  
crews.

tain View hall on Saturday, June  
7th. Fisher's orchestra. Admission  
50c per person. Dancing from 9  
to 12. 21c

—There will be a dance at Lone  
Pine hall on May 30th, sponsored  
by the Ailingham F.U.A. local.  
Acme orchestra in attendance.

**C.W.L. HEAR TALK  
ON HOME MISSIONS**

The Didsbury Catholic Women's  
League met at the home of Mrs.  
Cecil Shields on May 20, with 16  
members and two new members  
present. Mrs. Bill Moon Jr. and  
Mrs. Bill Moon Sr.

Mrs. E. Dupont Sr. gave a short  
talk on "Lady of Fatima." Rev.  
Father Robb gave a short talk on  
"Home Missions."

Plans were made for the bake  
sale to be held on June 14 in the  
Massey-Harris show room.

new Toro lawn mower at Lorne  
Clayton's.

**CARD OF THANKS**

I wish to give thanks to all the  
hospital staff and to Dr. Bankier,  
for the care given me while I was  
in hospital. Thanks also for the  
flowers and cards I received from  
friends. 11c

**W. H. SNYDER****CARD OF THANKS**

Mrs. H. Ringheim wishes to  
thank Dr. Miller, the nurses and  
staff at the Didsbury hospital, and  
her many friends, for kindness,  
cards, flowers and gifts received  
during her recent illness.

**CARD OF THANKS**

I wish to express my warmest  
thanks to a certain gentleman (?)  
who although suffering from a  
bad case of egomania, nevertheless  
found time to give me useful (?)  
much needed (?) and most appre-  
ciated (?) advice on legal matters.  
It was all the more kind of him  
as he obviously needs it so much  
more himself.

Also for the many fine words and  
sentiments which he so lovingly be-  
stowed upon me. 11p
